CHICAGO, April 17, 2019 /PRNewswire/ -- An innovative new website, ShopGenius.com, launches today. The new website is designed to give savvy shoppers a valuable tool to help save money on the items they are looking for by connecting them to in-store sales events, as well as highlighting daily online flash deals and promotions.

The goal of this one-of-a-kind platform is to provide consumers a one-stop site to find events such as liquidation, store closing, inventory reduction, and other similar in-store sales events both nationally and in their local communities. ShopGenius.com will also feature unique daily flash sales and promotions.

The website is developed to help shoppers find in-store deals in an easy-to-use format where they can search by city, state, or zip. In addition, ShopGenius.com encourages visitors to sign up for sales alert emails so they can be notified when new retail sales events are added, and deeper discounts are taken at current events.

ShopGenius.com is also dedicated to helping consumers save more money by featuring online flash deals from affiliate sites, as well as special promotions that cannot be obtained elsewhere on a variety of higher-end goods.

Consumers can visit www.ShopGenius.com to find current sales and promotions, as well as sign up for deal alerts. In addition, the company invites bargain shoppers to stay current with ShopGenius.com by visiting their [Facebook](#), [Twitter](#) and [Instagram](#) pages for the latest deals, contests and promotions, and other ShopGenius.com news and information.

About ShopGenius.com (www.ShopGenius.com) is a unique shopping and sales resource for finding great values, incredible deals, and other sale events. Here you'll find smart savings through liquidation events across the country, daily values from associate websites and other relevant events at your favorite retail stores.
